

In compliance with the provisions of Article 22.2 of Law 34/2002, of July 11, Services of the Information Society and Electronic Commerce, this website informs you, in this section, about the **policy of collecting and processing cookies**.

What are cookies?

A cookie is a file that is downloaded to your computer when you access certain websites. Cookies allow a website, among other things, to store and retrieve information about the browsing habits of a user or his computer and, depending on the information they contain and the way in which you use your computer, can be used to recognize the user.

What types of cookies does this website use?

This website uses the following types of cookies:

Technical cookies: These cookies allow the user to browse through the restricted area and use its different functions, such as obtaining information on the products of the user.

Personalization cookies: These are those that allow the user to access the service with some general characteristics predefined according to a series of criteria in the user's terminal, such as the language or type of browser through which the service is connected.

Disable cookies.

You can **allow, block or delete cookies** installed on your computer by configuring the browser options installed on your computer.

Most web browsers offer the possibility to allow, block or delete cookies installed on your computer. Below you can access the settings of the most frequent web browsers to accept, install or disable cookies:
